Veteran's Policy

To comply with the US Federal Department of Veterans Affairs, effective Fall 2001 semester, the Office of Admissions and Records is changing the procedure for processing the Confirmation of Enrollment for Student Receiving Veteran Benefits form.

It is the responsibility of each incoming veteran to pick up the Confirmation of Enrollment for Students Receiving Benefits from the Veteran Certifying Official in the Office of Admissions and Records, BSEB 200. The form must then be taken to the college or department to be completed.

The actual certification of the veteran's enrollment to start their educational benefits will not be processed until the completed and signed form is returned to the Office of Admissions and Records.
